Strategic Financial
Management ...

Growing Profits

Profitability is just the beginning of business success. Thriving enterprises are always making new contributions in products and services, employment, community involvement and ownership.

Through strategic financial insight and initiative, LGI guides client companies forward from what they are now to what they aspire to become. We are a team of top-flight CFOs, affordably available on an outsourced basis to privately held firms.

LGI is committed to nothing less than your complete and continuing success. We help our clients grow business profits, create growth opportunities, and build legacies that last from one generation to the next.

Creating Opportunities

Our outsourced CFOs approach business growth goals as Financial Frontiers™, pursuing your success one phase at a time:

Building Legacies

LGI clients keep a competitive edge today and tomorrow. Consider what they have to say . . .

“ Our company would not be here today without LGI. They have been our leading financial lifeline, a source of sound planning in good times and bad.”
WJS, CEO ELECTRONICS MANUFACTURER

“ LGI works closely with our internal finance staff so that they can then focus us on more strategic, long range items. I can't be complementary enough of LGI.”
TJG, PRESIDENT METALS DISTRIBUTOR

“ By thinking out of the box, they have helped us achieve financial stability. Now we can focus on growth for my company in other areas.”
SP, PRESIDENT TESTING LABORATORY

“ LGI enables me to focus on sales and production, and no longer worry about the finance side. LGI is a great value and the right fit for us.”
JSC, CEO LARGE WHOLESALER

“ LGI has been instrumental in strengthening our financial position, establishing the necessary controls to grow our business and preparing us to transition to the next level.”
JCR, COO HEALTHCARE PROVIDER
